Mrs Effie Manley, President
Newark Eagles Baseball Team
Forbes Field Pittsburgh Pa.

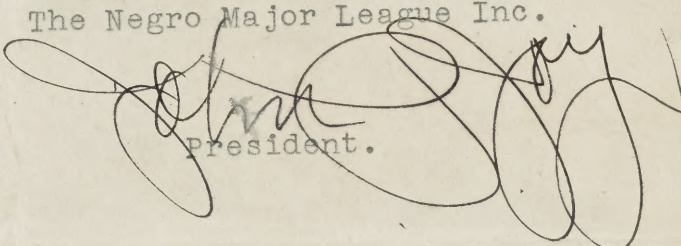

My Dear Mrs Manley:

Just a few lines to drive home an important fact which if given consideration by you, will prove most profitable.

You are now a member of the Negro National baseball association if you can realize a profit with an inferior organization what would you profit, if you become a member of the Negro Major league baseball teams Inc. you haven't anything to lose. You have every thing to gain. I beleive all of your players would like to become a major league player and will become a major league baseball player wheather or not, it makes no difference if the team heis playing do not affilliate with the Negro major your players will leave your baseball club and you will find your self up against it so be wise join the Negro major league Inc. to day tomorrow may be too late. We are going to use all the white major league parks.

Very truly yours

The Negro Major League Inc.

President.
